I am writing to request that our library subscribe to *Boston Review*, a quarterly magazine of ideas, politics, and culture. *BR*'s signature feature is the Forum, which subjects bold arguments to constructive scrutiny and debate. Its writers have included Noam Chomsky, Robin D. G. Kelley, Vivian Gornick, Martha Nussbaum, Susan Sontag, and Judith Butler.

I'm making this request because:

- ☐ I am a reader of *Boston Review* and believe it would enrich our library's collection.
- ☐ I have taught or plan to teach essays from *Boston Review*.
- ☐ I am affiliated with *Boston Review*.
- ☐ _____

Our library can subscribe to *Boston Review* (ISSN: 0734-2306) in print or to its searchable digital archive with a one-time purchase.
